

Calvary Community Church  
**CHILDREN'S MINISTRY VISION**

At Calvary we believe we are called to partner with parents to cultivate in each child a spiritual hunger for God, an awareness of His presence, and a love for His Word. We desire kids to develop a personal relationship with God while they are still young, to have strong, godly relationships with others, and to be equipped for ministry and service. To accomplish this vision, we offer diverse programs and special activities in a fun and nurturing environment filled with God's love.
