

Calvary Community Church
Children's Ministry
KidCare Policy: Children

Safety Policy:

1. Help us make Calvary a safe place! **Always supervise your kids!**
2. When you will be off-site, please **check in and check out** your kids at the CM Information Desk. It is very important that we have accurate, detailed contact information in case of an emergency.
3. **Kids are only released to their parents** from KidCare. Exceptions to this policy can be requested ahead of time. Please talk with the Children's Minister. An exception list is on file at the CM Information Desk.
4. In case of an emergency, a **current year Emergency Medical Authorization form** is necessary for each child in KidCare when parents are **off-site**. This form is kept on file at the CM Information Desk. We recommend the form be notarized, but it is not required.

Feeding Policy:

1. Please feed kids before bringing them to KidCare. Our staff **do not feed children** except for #2 and #3 below.
2. KidCare staff bottle feeds babies during KidCare at the parent's request.
3. We provide a snack during KidCare sessions. Please inform the KidCare director in writing if a child has food restrictions.

Sickness Policy:

1. **Sick kids are not accepted** in KidCare.
2. A kid may come to KidCare after taking **antibiotics at least 24 hours**.
3. To come to KidCare, a kid must be **free of these symptoms for 24 hours: fever; vomiting; diarrhea; runny nose; matting eyes**.
4. KidCare staff **cannot give medication** to a kid.
5. If a kid appears to be sick during KidCare the parent is contacted to help us assess the health of the kid.
