Sunday, December 2 — “Sharing Sunday”

Our Calvary Kids are always so eager during Kids Church to share what the Lord has put on their hearts and to pray for others. So...we are dedicating a whole Sunday to just that! During our last “Sharing Sunday,” many of our kids came prepared to sing a song, recite a scripture, tell about a picture they drew during Art Worship, testify about a healing or victory, or pray for their friends. We’re extending this invitation again to allow space for them to share about the goodness and faithfulness of the Lord! Though participation is optional, we want these young leaders to know that Kids Church is a safe zone where they can put their faith into practice.

Wednesday, December 12—Kids Club Christmas Party!

Kids...invite a friend and join us for a fun night of music, games, crafts, and snacks as we celebrate our Savior’s birth!

FUN for the WHOLE Family!
