Have you ever asked yourself...

- How can I minister like Jesus?
- How can I become more effective in praying for others?
- How can I help others walk in wholeness and victory?
- How can I operate in the gifts of the Spirit?

In order to come into the liberating truths about God, we must stop asking how much we know, and start examining how we live. As James puts it, "Do not merely listen to the word and so deceive yourselves. Do what it says (James 1:22)."
